**Circular to Creditors
Update**

I refer to my previous communications.

I provide the following brief update since my last report to creditors on 5 March 2024:

1. On 7 March 2024, I sought an update from the Australian Securities and Investments Commission (“ASIC”) on the progress of my application for funding. ASIC responded with the advice that the application is still being considered and gave me an estimated timeframe of four to six weeks to receive a response.
2. On 13 March 2024 Trent Bowden contacted me in response to a letter he had just received from ASIC regarding the provision to me of the books and records of the company. I have since again corresponded with Mr Bowden regarding the specific records I require but have not yet received the requested records. My efforts to obtain the records are ongoing.

In short, there is little to report; however, I will continue to report to you on a regular basis.

If you would like to discuss this matter, please contact Melissa Ledger or Nicholas D’Alesio of this office.

Yours faithfully
