Update**

I refer to my previous communications.

Thank you for your assistance to date. Your time attending interviews with me and providing the records you have in relation to your dealings with the company and its director has been of great assistance.

I provide the following brief update since my last report to creditors on 28 May 2024:

1. I have submitted a fulsome report to ASIC outlining the findings of my investigation into the company’s failure and the conduct of the director.
2. In my report I have identified the following possible offences or misconduct by the director:
 - (i) Failure to act with care and diligence.
 - (ii) Failure to act in good faith and for a proper purpose.
 - (iii) Improper use of position.
 - (iv) Failure to keep proper books and records.
 - (v) Failure to assist the liquidator.
 - (vi) Concealing or removing company property.
 - (vii) Insolvent trading.
 - (viii) Failure to hold an Australian Financial Services Licence.
3. ASIC is now considering my report and I await their advice as to any further action.

If you would like to discuss this matter, please contact Melissa Ledger or Nicholas D’Alesio of this office.

Yours faithfully
