1. Introduction

The purpose of this document is to provide you with information about the liquidation of Izzmyne Holdings Pty Ltd (“the company”) and your rights as a creditor.

2. Notification of appointment

- 2.1 I was appointed Liquidator of the company by a resolution of the company’s members on 12 September 2024.
- 2.2 A copy of my Declaration of Independence, Relevant Relationships and Indemnities (“DIRRI”) is attached at Annexure A. The DIRRI assists you to understand any relevant relationships that I have, and any indemnities or upfront payments that have been provided to me. I have considered each relationship and it is my opinion that none of the relationships disclosed in the DIRRI results in a conflict of interest or duty, or affects my independence.

3. What is a creditors’ voluntary liquidation?

A creditors’ voluntary liquidation, or CVL, is a liquidation initiated by the company because it is unable to pay all of its creditors in full. This means that the company is insolvent.

4. What happens to your debt?

- 4.1 According to the company’s records, you may be a creditor of the company.
- 4.2 All creditors of the company are now creditors in the liquidation. As a creditor, you have certain rights, although your debt will now be dealt with in the liquidation.
- 4.3 If you have leased property to the company, have a retention of title claim or hold a security interest in relation to the company, please immediately contact this office.

5. Your rights as a creditor

- 5.1 Annexure B to this circular contains information about your rights as a creditor, including your right to:
- Make reasonable requests for a meeting.
 - Make reasonable requests for information.
 - Give directions to me.
 - Appoint a reviewing liquidator.
 - Replace me as liquidator.
- 5.2 I draw your attention to your right to request a meeting in the first 20 business days of a creditors’ voluntary liquidation. If I receive a request for a meeting from at least 5% of known creditors that are not a related entity of the company, I am required to hold a meeting, as long as the request is reasonable. Guidance on whether a request is reasonable or not is included in the information sheet at Annexure B.

6. Summary of the company's affairs

I received a Report on Company Activities and Property ("ROCAP") from the directors, Mr Ronald Connolly and Mr Daniel Connolly on 19 September 2024 and 20 September 2024 respectively. A summary of the company's affairs compiled from the information in the ROCAPs is attached at Annexure C.

7. Listing of creditors

- 7.1 Attached at Annexure D is a list of creditors, including their addresses and the estimated amounts of their claims, as shown in the records of the company. Any creditors related to the company are identified.
- 7.2 Enclosed is a Proof of Debt or Claim form to enable you to lodge your claim in the liquidation.

8. What happens next?

- 8.1 I will proceed with the liquidation, including:
- (i) Recovering and selling any available property.
 - (ii) Investigating the company's affairs.
 - (iii) Reporting to the corporate regulator, the Australian Securities and Investments Commission ("ASIC").
- 8.2 If I receive a request for a meeting that complies with the guidelines set out in the information sheet at Annexure B, I will hold a meeting of creditors.
- 8.3 I will write to you within three months of my appointment advising whether a dividend is likely and updating you on the progress of my investigations.
- 8.4 I may write to you again after that with further information on the progress of the liquidation.

9. Liquidator's remuneration and disbursements

- 9.1 Attached at Annexure E is my Initial Remuneration Notice. This document provides you with information about how I propose to be paid for undertaking the liquidation.
- 9.2 Attached at Annexure F is a detailed report on my remuneration, called a Remuneration Approval Report. I am unable to pay my remuneration without the approval of creditors or the Court.
- 9.3 Annexure F also provides details regarding my external and internal disbursements. I must account to creditors for all disbursements paid to me and ensure that these disbursements are appropriate, justified and reasonable. While I am not required to seek creditor approval for disbursements paid to third parties, I am required to seek creditor approval to pay my internal disbursements where there may be an element of profit or advantage.

9. Liquidator's remuneration and disbursements (cont.)

- 9.4 In accordance with the Initial Remuneration Notice and Remuneration Approval Report, my estimated remuneration for the external administration is \$40,000.
- 9.5 I propose to have my remuneration and internal disbursements approved by a proposal without a meeting. Information about passing resolutions without a meeting and two Notices of Proposal to Creditors are enclosed. **I request that you return to this office the completed Notices of Proposal to Creditors no later than 4:00pm on Friday, 18 October 2024.**
- 9.6 Please note that it is in the best interests of the creditors of the liquidation to submit the Notices of Proposal. If my remuneration and disbursements are not approved, I will incur further remuneration in seeking the required approval, diminishing the funds available for a distribution to creditors
- 9.7 **If you are yet to submit your claim in the liquidation, the Notices of Proposal to Creditors should be returned together with a Proof of Debt or Claim form and supporting documentation.**

10. Books and records

- 10.1 I propose to put a proposal to creditors for approval for the destruction of books and records of the company pursuant to Section 70-35(3)(b)(ii) of the Insolvency Practice Schedule (Corporations) 2001.
- 10.2 Destruction of books and records may occur on the completion of the liquidation and after receiving approval from ASIC. The destruction of books and records would not occur until I am satisfied there are no third parties who might be materially adversely affected by the destruction of the books and records.
- 10.3 I propose to have this resolution approved by a proposal without a meeting. Information about passing resolutions without a meeting and a Notice of Proposal to Creditors for this purpose is enclosed. **I request that you return to this office the completed Notice of Proposal to Creditors (with your completed Proof of Debt or Claim form) no later than 4:00pm on Friday, 18 October 2024.**

DECLARATION OF INDEPENDENCE, RELEVANT RELATIONSHIPS AND INDEMNITIES

Practitioners appointed to an insolvent entity are required to make declarations as to:

- A. their independence generally;
- B. relationships, including
 - (i) the circumstances of the appointment;
 - (ii) any relationships with the company and others within the previous 24 months;
 - (iii) any prior professional services for the company within the previous 24 months;
 - (iv) that there are no other relationships to declare; and
- C. any indemnities given, or upfront payments made, to the Practitioner.

This declaration is made on my own behalf and on behalf of my firm, Sheridans.

I am a Professional Member of ARITA - Australian Restructuring Insolvency and Turnaround Association. I acknowledge that I am bound by the ARITA Code of Professional Practice.

Independence

I have assessed my independence and I am not aware of any reasons that would prevent me from accepting this appointment.

There are no other known relevant relationships, including personal, business and professional relationships, that should be disclosed beyond those disclosed in this document, if any.

Declaration of relationships

A. Circumstances of appointment

This appointment was referred to me by Mr Ross Brough of Argon Business Partners. I believe that this referral does not result in a conflict of interest or duty because referrals from solicitors, business advisors and accountants are commonplace and do not impact on my independence in carrying out my duties as liquidator.

I had two telephone conversations and a meeting with one of the company’s directors, Mr Ronald Connolly, on 15 July 2024, 9 September 2024 and 11 September 2024 respectively. The discussions were held for the purpose of:

- obtaining sufficient information about the company to advise on the solvency of the company;
- discussing the formalities of placing the company into Creditors’ Voluntary Liquidation; and
- Clarifying and explaining the various options available to the company and the nature and consequences of an insolvency appointment.

In my opinion, these meetings do not affect my independence for the following reasons:

- the Courts and ARITA’s Code of Professional Practice specifically recognise the need for practitioners to provide advice on the insolvency process and the options available and do not consider that such advice results in a conflict or is an impediment to accepting the appointment;

Declaration of relationships (cont.)

- the nature of the advice provided to the company is such that it would not be subject to review and challenge during the course of the liquidation; and
- the pre-appointment advice will not influence my ability to be able to fully comply in an objective and impartial manner with the statutory and fiduciary obligations associated with the liquidation of the company.

I have provided prior to my appointment no other information or advice beyond that outlined in this DIRRI to the company or to its directors or to any of its advisors.

B. *Relevant relationships (excluding professional services to the company)*

I and my firm, have, or have had within the preceding 24 months, no relationships with the company, an associate of the company, a former insolvency practitioner appointed to the company or any person or entity that has security over the whole or substantially the whole of the company's property.

C. *Prior professional services to the company*

I and my firm have provided no professional services to the company in the previous 24 months.

D. *No other relevant relationships to disclose*

There are no other known relevant relationships, including personal, business and professional relationships, from the previous 24 months with the company, an associate of the company, a former insolvency practitioner appointed to the company or any person or entity that has security over the whole or substantially the whole of the company's property that should be disclosed.

Indemnities and upfront payments

I have been provided with the following contribution, payable in monthly instalments of \$500, for remuneration for the conduct of the liquidation:

Name	Relationship	Contribution \$
Ronald Connolly	Director	20,000

This does not include any indemnities I may be entitled to under the law. I have not received any other indemnities or upfront payments that should be disclosed.

Dated: 27 September 2024

JENNIFER E. LOW

Note:

1. If circumstances change, or new information is identified, I am required under the Corporations Act 2001 and the ARITA Code of Professional Practice to update this Declaration and provide a copy to creditors with my next communication as well as to table a copy of any replacement declaration at the next meeting of the company's creditors.
2. Any relationships, indemnities or upfront payments disclosed in the DIRRI must not be such that the Practitioner is no longer independent. The purpose of the DIRRI is to disclose relationships that, while they do not result in the Practitioner having a conflict of interest or duty, ensure that creditors are aware of those relationships and understand why the Practitioner nevertheless remains independent.

Creditor Rights in Liquidations

As a creditor, you have rights to request meetings and information or take certain actions:

Right to request a meeting

In liquidations, no meetings of creditors are held automatically. However, creditors with claims of a certain value can request in writing that the liquidator hold a meeting of creditors.

A meeting may be requested in the first 20 business days in a creditors' voluntary liquidation by $\geq 5\%$ of the value of the debts held by known creditors who are not a related entity of the company.

Otherwise, meetings can be requested at any other time or in a court liquidation by:

- $> 10\%$ but $< 25\%$ of the known value of creditors on the condition that those creditors provide security for the cost of holding the meeting
- $\geq 25\%$ of the known value of creditors
- creditors by resolution, or
- a Committee of Inspection (this is a smaller group of creditors elected by, and to represent, all the creditors).

If a request complies with these requirements and is 'reasonable', the liquidator must hold a meeting of creditors as soon as reasonably practicable.

Right to request information

Liquidators will communicate important information with creditors as required in a liquidation. In addition to the initial notice, you should receive, at a minimum, a report within the first three months on the likelihood of a dividend being paid.

Additionally, creditors have the right to request information at any time. A liquidator must provide a creditor with the requested information if their request is 'reasonable', the information is relevant to the liquidation, and the provision of the information would not cause the liquidator to breach their duties.

A liquidator must provide this information to a creditor within 5 business days of receiving the request, unless a longer period is agreed. If, due to the nature of the information requested, the liquidator requires more time to comply with the request, they can extend the period by notifying the creditor in writing.

Requests must be reasonable.

They are not reasonable if:

Both meetings and information:

- (a) complying with the request would prejudice the interests of one or more creditors or a third party
- (b) there is not sufficient available property to comply with the request
- (c) the request is vexatious

Meeting requests only:

- (d) a meeting of creditors dealing with the same matters has been held, or will be held within 15 business days

Information requests only:

- (e) the information requested would be privileged from production in legal proceedings
- (f) disclosure would found an action for breach of confidence
- (g) the information has already been provided
- (h) the information is required to be provided under law within 20 business days of the request

If a request is not reasonable due to (b), (d), (g) or (h) above, the liquidator must comply with the request if the creditor meets the cost of complying with the request.

Otherwise, a liquidator must inform a creditor if their meeting or information request is not reasonable and the reason why.

Right to give directions to liquidator

Creditors, by resolution, may give a liquidator directions in relation to a liquidation. A liquidator must have regard to these directions, but is not required to comply with the directions.

If a liquidator chooses not to comply with a direction given by a resolution of the creditors, they must document their reasons.

An individual creditor cannot provide a direction to a liquidator.

Right to appoint a reviewing liquidator

Creditors, by resolution, may appoint a reviewing liquidator to review a liquidator's remuneration or a cost or expense incurred in a liquidation. The review is limited to:

- remuneration approved within the six months prior to the appointment of the reviewing liquidator, and
- expenses incurred in the 12 months prior to the appointment of the reviewing liquidator.

The cost of the reviewing liquidator is paid from the assets of the liquidation, in priority to creditor claims.

An individual creditor can appoint a reviewing liquidator with the liquidator's consent, however the cost of this reviewing liquidator must be met personally by the creditor making the appointment.

Right to replace liquidator

Creditors, by resolution, have the right to remove a liquidator and appoint another registered liquidator.

For this to happen, there are certain requirements that must be complied with:

INITIAL REMUNERATION NOTICE

The purpose of this Initial Remuneration Notice is to provide you with information about how I propose my remuneration for undertaking the liquidation will be set.

1. Remuneration methods

There are four basic methods that can be used to calculate the remuneration charged by an insolvency practitioner. They are:

- A. **Time based / hourly rates:** This is the most common method. The total fee charged is based on the hourly rate charged for each person who carried out the work multiplied by the number of hours spent by each person on each of the tasks performed.
- B. **Fixed fee:** The total fee charged is normally quoted at the commencement of the administration and is the total cost for the administration. Sometimes a practitioner will finalise an administration for a fixed fee.
- C. **Percentage:** The total fee charged is based on a percentage of a particular variable, such as the gross proceeds of asset realisations.
- D. **Contingency:** The practitioner’s fee is structured to be contingent on the achievement of a particular outcome.

2. Method chosen

Given the nature of this administration I propose that my remuneration be calculated at an hourly rate for the time spent by each member of my staff. I believe this method to be appropriate because it accurately reflects the work required to administer this matter.

3. Explanation of hourly rates

The rates for my remuneration calculation are set out in the table overleaf, together with a general guide showing the qualifications and experience of staff engaged in the administration and the role they take in the administration. The hourly rates charged encompass the total cost of providing professional services and should not be compared to an hourly wage.

4. Estimated remuneration

I estimate that this administration will cost approximately \$40,000 to complete, subject to the variable of the investigation into the affairs of the company and the conduct of its officers, which may have a significant effect on this estimate. I am unable to determine the effect of this variable until I have commenced work on this aspect of the administration. I received an indemnity of \$20,000 to contribute to the estimated costs. This has been disclosed in my DIRRI. Approved remuneration may exceed the amount of this indemnity and can be paid from the assets of the administration after approval by creditors or the Court.

5. Disbursements

Disbursements are divided into three types:

- A. **Externally provided professional services** - these are recovered at cost. An example of an externally provided professional service disbursement is legal fees.
- B. **Externally provided non-professional costs** such as travel, accommodation and search fees - these are recovered at cost.
- C. **Internal disbursements** such as photocopying, printing and postage. These disbursements, if charged to the administration, would generally be charged at cost, though some expenses such as telephone calls, photocopying and printing may be charged at a rate that recoups both variable and fixed costs. The recovery of these costs must be on a reasonable commercial basis.

I am not required to seek creditor approval for disbursements paid to third parties, but must account to creditors. However, I must be satisfied that these disbursements are appropriate, justified and reasonable. I am required to obtain creditors’ consent for the payment of disbursements only where there may be a profit or advantage. Creditors will be asked to approve my disbursements where there is a profit or advantage before these disbursements are paid from the administration. Details of the basis of recovering disbursements in this administration are provided overleaf.

3.3 Total remuneration reconciliation

At this point in time I estimate that the total remuneration for this liquidation will be \$40,000.00, being the current approval amount being sought. This is consistent with the estimate provided in the Initial Remuneration Notice dated 27 September 2024.

In preparing this Remuneration Approval Report, I have made my best estimate of what I believe the liquidation will cost to complete. However, should the liquidation not proceed as expected, I will advise creditors and I may seek approval of further remuneration and provide details on why the remuneration has changed.

3.4 Likely impact on dividends

A Liquidator is entitled to receive remuneration for necessary work that has been properly performed in relation to the liquidation.

A Liquidator must distribute any property realised in accordance with the prescribed order and priorities set out by Section 556 of the Corporations Act 2001. Given that a Liquidator's remuneration is generally afforded priority ahead of any distribution to creditors, any such payment of remuneration approved by creditors will reduce the funds available for distribution to creditors.

The quantum (if any) of the dividend to creditors is ultimately impacted by the Liquidator's remuneration, the asset realisations achieved by the Liquidator and the value of creditor claims admitted to participate in the dividend.

3.5 Remuneration recovered from external sources

I have been provided with a contribution of \$20,000 (payable in monthly instalments of \$500) from Mr Ronald Connolly towards the estimated costs of the liquidation.

This has been disclosed in my Declaration of Independence, Relevant Relationships and Indemnities dated 27 September 2024.

Part 4: Disbursements

See my Initial Remuneration Notice (Annexure E) for details of the types of disbursements.

I have undertaken a proper assessment of disbursements claimed for the company, in accordance with the law and applicable professional standards. I will be seeking approval of the following resolution to approve my internal disbursements for the period 12 September 2024 to the conclusion of the liquidation:

That the Liquidator's internal disbursements, charged at the standard rates set by Sheridans, plus any applicable GST, for work of this nature, be approved for the period 12 September 2024 to the conclusion of the liquidation to a limit of \$2,500.00 plus GST, and that the Liquidator be authorised to draw her disbursements on a monthly basis, or as required. The standard rates will be calculated on a cost basis, or a reasonable estimate of cost, and may therefore be amended from time to time.

Part 5: Summary of receipts and payments

There have been no receipt or payments in the liquidation to date.

Part 6: Queries

If you have any queries in relation to the information in this report, please contact Shaun Carrington or Nicholas D'Alesio of this office.

General information is also available on the ARITA and ASIC websites (see section 11 of the attached Initial information report).

Part 7: Approval of remuneration and internal disbursements

In summary, approval of the following proposals is being sought:

- 1. That the Liquidator's future remuneration calculated on the basis of time spent by the Liquidator and her staff, at the standard scale rates set by Sheridans for work of this nature, be approved for the period 12 September 2024 to the conclusion of the liquidation to a limit of \$40,000.00 plus GST, and that the Liquidator be authorised to draw her fees on a monthly basis, or as required, beyond which further approval will be required in accordance with the Corporations Act 2001. The standard scale rates will be increased in accordance with the CPI at 1 August each year, rounded up to the nearest \$.*
- 2. That the Liquidator's internal disbursements, charged at the standard rates set by Sheridans, plus any applicable GST, for work of this nature, be approved for the period 12 September 2024 to the conclusion of the liquidation to a limit of \$2,500.00 plus GST, and that the Liquidator be authorised to draw her disbursements on a monthly basis, or as required. The standard rates will be calculated on a cost basis, or a reasonable estimate of cost, and may therefore be amended from time to time.*

Attached is two Notices of Proposal to Creditors for the above resolutions. I would be grateful if you would complete each form and return them both to this office by no later than 4:00pm on Friday, 18 October 2024.

Please note that it is in the best interests of the creditors of the estate to submit the Notices of Proposal. If my remuneration and disbursements are not approved, I will incur further remuneration in seeking the required approval, diminishing the funds available for a distribution to creditors.

If you require any assistance in completing the forms, please contact Shaun Carrington or Nicholas D'Alesio of this office.
