Circular to employees

I refer to my Initial information for creditors dated 19 June 2025.

Annexure D to my report contains information regarding the company’s creditors at the date of my appointment.

The listing and quantum of claims is based on the books and records of the company that are immediately available to me. It is not uncommon for the records of a company to be different or vary with respect to the amount claimed by creditors and ultimately determined as owed.

Importantly, I note that the amount of your claim noted in Annexure D to my report is not the final or accepted figure.

You should complete and submit a Proof of Debt to me for the amount that you consider you are owed.

Your submitted Proof of Debt will be the starting point for my assessment of your claim.

Similarly, your claim with FEG is not impacted by the current listing of creditors. I encourage you to submit all the evidence of your claim to FEG as part of the application process.

If you have any queries, please contact Shaun Carrington or Nicholas D’Alesio of this office.

Yours faithfully
